Thank you to all who have put their hands up to help keep ADFAS Scone running smoothly in 2022.  
To all retiring committee members thank you for all your hard work over the past years.

We have a wonderful program of 9 lectures scheduled for 2022. A printed list is available.

**Please Note** due to booking conflicts there are a few lectures that have TBA beside them.

We have actually had to change the dates of 3 lectures to accommodate the venue.

Adelaide Bragg has moved to Friday 18 March at 10.30am

Kate Bishop has moved to Friday 24 June at 10.30am

Gay Stanton has moved to Friday 10 June at 10.30am.

These 3 lectures will be at the Arts & Crafts centre.

We are still looking at venues for the May and September lectures. The Arts & Crafts is not available due to Art Shows and we cannot move the dates as these are circuit lecturers from ADFAS. In past years we have used the council chambers, but they are adverse to this due to the security issue of someone locking up. We will advise you as soon as we find another venue.

The membership for 2022 is now due

\$140 for full year membership per person

\$30 for guests per lecture per person,

Please feel free to contact myself if you have any queries and I look forward to an amazing year of stimulating and informative lectures and wonderful associations with all members.

Merry Christmas to all and may 2022 be what everyone desires.
