

Our 2023 Young Arts award was presented to the Narrabri Arts Eisteddfod in May. Congratulations to this team of tireless workers who each year stage performing arts opportunities for the younger generation.

A huge thank you must go to the generosity of the many ADFAS Narrabri members and friends who donated towards this year's Young Arts program. It would not have been possible without you.

We were proud to present the award to the Narrabri Arts Eisteddfod committee who put the funds towards medallions and trophies. Here are a few snaps of some talented performers!
