

## ADFAS GEELONG YOUNG ARTS REPORT AGM Nov. 13<sup>th</sup> 2023

Thankyou very much for your support with our raffle this year, held each lecture, to raise money through the ADFAS Young Arts program.

Thanks to Sharron Dickman for organising donations of beautiful books and wonderful music CDs. Thanks also to the Redman's family for their delicious shiraz, sold to us at wholesale price.

This year we have donated \$1000 to The Smith family, with particular interest in their SmArts program.

By supporting The Smith Family's SmArts program, ADFAS Geelong is helping to provide students in Years 8 to 12, who are interested in creative arts with links to art organisations and relevant career information. The program aims to raise student's education aspirations and career knowledge of the creative arts through an interconnected creative program.

Karina Yewdall, The Smith Family community fund raising manager, has given sincere thanks for our generous donation.

I gratefully pass on her thanks to you all.
