**Saturday 20<sup>th</sup> July 2024 at 4:00 pm**  
**(please be seated by 3:50 pm)**

**Venue.** This presentation will be held at the usual venue, St Mary's Church, 17 William Street Tewantin. **Lecture.** Caravaggio was a violent bully with a massive ego, yet the most gifted painter of his generation. He offended as easily as he wowed with his works. Scandal followed him everywhere he went or fled to. His paintings have cinematic compositions with intensely visceral details, as he developed a pioneering style that would inspire a European stylistic following, and change Baroque painting forever. His tragic end and eventual downfall are the stuff of a great film not yet made and this lecture aims to bring his colourful character to life.

**Lecturer.** Dan Evans, an educationalist with a passion for European art and architecture. He teaches History and History of Art at Cheltenham College,

a full boarding independent school established in 1841. Dan has been lecturing since 2001, and spent 9 years working as a senior lecturer and tour guide for Art History Abroad and he was once voted the British winner of the World Guide of the Year Awards. Dan also leads educational study trips to a range of destinations in Italy.

**Raffle.** Raffle tickets will be on sale before the lecture. The raffle will be drawn immediately after the lecture. 50% of raffle profits will go to Young Arts; the other 50% towards defraying ArtsNational Noosa operating costs.
