

ArtsNational Sunshine Coast Young Arts Program

Each year, ArtsNational Sunshine Coast offers opportunities to students, young artists, and performers by giving grants to individuals, schools and community-based groups.

The money raised by our monthly raffles funds our local Young Arts Program.

In 2025 we continued to support local young people. We chose to support the Chancellor State College's Junior Choir by funding the Choir's participation in the Regional and State Music Eisteddfods.

The College's Arts Program led by Ms Jennifer O'Connor delivers lessons to all Preparatory to Year 6 classes, and students can be part of an instrumental music program providing tuition in strings, brass, and woodwind.
